

Martin Chilvers  
Clerk  
Elsdon Parish Council

25<sup>th</sup> June 2021

Dear Martin,

You will remember that previously Lynn Turner had corresponded about the Kielder Water & Forest Park local parking permit.

At the time Lynn explained that Elsdon parish sits outside the catchment area and was not eligible to be part of the scheme.

The situation remains the same this year. However we do understand that parking can be expensive for residents in the wider area who visit Kielder frequently. Because of this partners have once again agreed to offer Elsdon residents a 50% discount on Kielder Water & Forest Park membership for 2021. This will enable you to obtain a years free parking and the other benefits of the Kielder Water & Forest Park membership for £20.

Further details on the pass can be found at <https://www.forestryengland.uk/kielder-water-and-forest-park/kielder-water-forest-park-membership>

Yours sincerely

**Paul Nichol**  
**Operations Manager**
