

Bird box building and guided walk

Saturday 7th March 2020 10:30am-12:30pm

Price: £2, or £7 if you'd like to take a bird box home.

Meet: Car park at Redesdale Arms, NE19 1TA

Suitable
for ages 7+

Support Redesdale's small birds by helping to make and install bird boxes for tits and flycatchers at Rupert's Wood. You can even make a box to take home! A member of Northumbria Ringing Group will lead a short guided walk to include topics such as bird song, identification, habitat and nesting requirements.

for ages 11+

Price: £8 adult, £5 child,

Meet: Redesdale Arms

Explore wildlife in the dark with a night-time woodland walk, moth trapping and a demonstration of thermal imaging kit. Discover what you can see in Redesdale's night sky in our stargazing workshop. Learn how lighting can affect wildlife and how you can reduce your impact. The next morning see what wildlife our traps and cameras recorded overnight.

Small Mammal Surveying

Tuesday 19th May, 6pm-8:30pm AND Wednesday 20th May
9am-11am

Price: £10 adult, £5 child,

Meet: Redesdale Arms

Suitable for
ages 10+

Mice, voles, shrews, hedgehogs, squirrels - furry folk that live around us, many seldom seen. Learn more about their lives and discover ways we can survey for these small wild mammals. We will cover species identification, ecology and survey methods. The evening will involve a classroom session as well as setting survey equipment. The following morning we will return to see what our traps have recorded overnight, release what we have caught and learn how to report our findings.
