Auditor General's report and audit opinion

I certify that I have completed the audit of the Annual Return for the year ended 31 March 2025 of **Name of Community Council**. My audit has been conducted on behalf of the Auditor General for Wales and in accordance with the requirements of the Public Audit (Wales) Act 2004 (the 2004 Act) and guidance issued by the Auditor General for Wales.

Audit opinion: Qualified

Except for the matters reported below in my Basis for Qualification, on the basis of my audit, in my opinion no matters have come to my attention to give cause for concern that, in any material respect, the information reported in this Annual Return:

- has not been prepared in accordance with proper practices;
- that relevant legislative and regulatory requirements have not been met;
- is not consistent with the Council's governance arrangements; and
- that the Council does not have proper arrangements in place to secure economy, efficiency and effectiveness in its use of resources.

Basis of Qualification

Accounting Statement

I am unable to conclude whether or not the Accounting Statement properly presents the Council's receipts and payments and financial position:

- The Council did not provide an explanation for variances between the 2024-25 and 2023-24 accounts for other payments

Annual Governance Statement

In my opinion, the Annual Governance Statement is not consistent with the Council's internal controls and governance arrangements for the year:

- Assertion 6. The Council has not provided evidence that it calculated its budget requirement in accordance with the Local Government Finance Act 1992 and that the precept has been set in line with the budget. The Act requires the Council to take into account its income and level of reserves when setting its budget requirement.

Other matters and recommendations

I draw the Council's attention to the following matters and recommendations which do not affect my audit opinion but should be addressed by the Council.

Excess reserves

The Council has carried forward reserves of £65,518 compared to its annual precept of £35,670 and annual expenditure of £19,900. The closing balances have been steadily

increasing for a number of years as the Council has raised a precept that exceeds its expenditure every year since 2021.

The Local Government Finance Act 1992 only allows the Council to set a precept to fund planned expenditure and requires it to take its reserves into account when setting the precept.

It is clear from the information provided for audit that the Council does not take into account any income it expects to receive or the increasing balance it is holding in reserve. In my opinion, the Council is setting its annual precept in a manner that is contrary to law.

To ensure that it sets a lawful precept, we recommend that the Council reviews its reserves and its plans to apply these reserves when setting its future budgets and precept. Further guidance is found in the Practitioners' Guide.

Register of members' interests

We noted that the published schedules of members interests are now significantly outdated with one dated from 2017-18.

We recommend that members update their declarations of interests. Furthermore, the register should include all interests declared during meetings.

Standing orders and financial regulations

In order to ensure that the Council's standing orders and financial regulations are comprehensive and up to date, we recommend that the versions currently in use are compared with model documents available from One Voice Wales.

Information not provided for audit

Each year we send the Council an audit notice that sets out the information we need to complete the audit. Failure to provide this information may lead to a qualified audit opinion and potentially an increased audit fee.

We recommend that the Council reviews the annual audit notice to ensure that all required information is provided on a timely basis.

There are no further matters I wish to draw to the Council's attention.
