Auditor General's report and audit opinion

I certify that I have completed the audit of the Annual Return for the year ended 31 March 2026 of **Llanwern Community Council**. My audit has been conducted on behalf of the Auditor General for Wales and in accordance with the requirements of the Public Audit (Wales) Act 2004 (the 2004 Act) and guidance issued by the Auditor General for Wales.

Audit opinion: Qualified

Except for the matters reported below in my Basis for Qualification, on the basis of my audit, in my opinion no matters have come to my attention to give cause for concern that, in any material respect, the information reported in this Annual Return:

- has not been prepared in accordance with proper practices;
- that relevant legislative and regulatory requirements have not been met;
- is not consistent with the Council's governance arrangements; and
- that the Council does not have proper arrangements in place to secure economy, efficiency and effectiveness in its use of resources.

Basis of Qualification

Annual Governance Statement

In my opinion, the Annual Governance Statement is not consistent with the Council's internal controls and governance arrangements for the year:

- Assertion 6: The Council does not comply with the Local Government Finance Act 1992 requirements for the calculation of its budget requirement and precept. Therefore, in my opinion the Council set a precept for the year that was contrary to law.

Other matters and recommendations

I draw the Council's attention to the following matters and recommendations which do not affect my audit opinion but should be addressed by the Council.

Budget setting

The Local Government Finance Act 1992 requires the Council to set its precept as its calculated budget requirement. The Act also requires the Council to take into account its income and level of reserves when setting its budget requirement.

The Council has carried forward reserves of £76,488 compared to its annual precept of £39,892 and annual expenditure of £31,513.

The closing balances have been steadily increasing since 2021 with the Council raising a precept greater than its expenditure every year.

The Local Government Finance Act 1992 only allows the Council to set a precept to fund planned expenditure and requires it to take its reserves into account when setting the precept. In setting its budget, the Council disregards the excessive funds it has already raised from council tax payers and has therefore not taken into account information that it should have taken into account when setting its precept. On this basis, in my opinion, the Council acted contrary to law.

The Council has followed the same process again for the 2026-27 precept, disregarding £82,000 funds held in reserve.

Information required for audit

Each year we send the Council an audit notice that sets out the information we need to complete the audit. Failure to provide this information may lead to a qualified audit opinion and potentially an increased audit fee.

The Council did not provide details of its budget setting process as set out in the 2025 audit notice.

We recommend that the Council reviews the annual audit notice to ensure that all required information is provided on a timely basis.

There are no further matters I wish to draw to the Council's attention.
