Our thanks go once again to Mo Cronk for organising an excellent raffle. It certainly will be on the agenda for Christmas this year.

A driver says to his passenger: 'Lean out of the side window and tell me if my indicator light is working.' His passenger leans out and says: 'Okay... Yes... No... Yes... No... Yes... No...'

So, I've figured out how to avoid falling foul of parking tickets. I've removed my car's windscreen wipers.

A man returns home from a hard day's work and is met by his wife. She tells him that she has some good news and bad news about their brand new car. The man says, 'Okay, give me the good news first.' His wife replies, 'The good news is, all the air bags works...'

I just bought a new car, which has a surround sound stereo. My wife in the front and my mother in law in the back.

Ford – What's the best thing about buying a Ford? They roll off the production line with the problem already circled.

Fiat – What does the odometer on a Fiat show after clocking up 100,000 miles? Game over.

Kia – A man walks into a [car parts & accessories](#) shop and says "I need a fuel cap for a Kia". The shop assistant says 'okay, sounds like a fair trade'.

Turtle Wax – Do you know why Turtle Wax is so damn expensive? Because turtles have really small ears.
