River Trip

The Ladies had a very good time on their day out on July 3rd. We all met at the Hall at 11.15 and the coach left at 11.30 to take us to Oulton Broad. We went to The Wherry Hotel for lunch. Following a lovely lunch we made our way over to the Broad where we boarded the Waveney Princess for our trip. We had a very good commentary as we journeyed up the Broad. We were told a lot of historical facts about the area, and it was pointed out to us some improvements to the conservation areas as we passed by. We saw a Kestrel, a Marsh Harrier and a Heron flew past the boat. We were told that there were reed buntings and reed warblers nesting in the reeds but they were very shy and we did not see them or the Kingfishers who were there in the morning.

And he arose, and rebuked the wind, and said unto the sea, Peace, be still. And the wind ceased, and there was a great calm. Mark 4:39

Work Party

On Saturday the 15th of July about 15 willing workers met at the Hall at about 10:00am to do a whole variety of jobs in the Hall and the car park and borders. After the work session we sat down to enjoy a lovely meal the ladies had prepared.
