Pele

Fay Weldon

Jeff Beck

To their devoted fans Pele was the greatest footballer, Fay Weldon the greatest feminine writer and Jeff Beck the greatest player of an electric guitar. One used his feet, one her head and the other his fingers. In spite of their different skills and abilities none could evade in recent weeks the “shuffling off of this mortal coil” as Hamlet expressed it in Shakespeare`s famous play of that name.

When we turn from our sins and put our faith in Christ who died for us and rose again we receive forgiveness, peace with God and new life in Christ. The new birth brings us into God`s family as His children. We have Christ on high as our High Priest. In the power of the indwelling Spirit we can live a life to please God. All the resources of God`s grace are available to us in prayer, the reading of His word and the fellowship of His people. The Christian has the assurance that He is secure in God`s love and will spend eternity in the Father`s house. This calm assurance gives a deeper joy than any goal scored, novel read or note played could ever give! *Article by Nigel Wren*

What to Boast about

²³ Thus says the LORD: "Let not the wise man boast in his wisdom, let not the mighty man boast in his might, let not the rich man boast in his riches, ²⁴ but let him who boasts boast in this, that he understands and knows me, that I am the LORD who practises steadfast love, justice, and righteousness in the earth. For in these things I delight, declares the LORD."
