Sherlock Holmes: The Speckled Band

'It is not cold which makes me shiver.'
'What, then?'
'It is fear, Mr Holmes. It is terror.'

Delve into the highly deductive mind of a super sleuth in this new production of one of the most popular Sherlock Holmes stories. Be enthralled by this exciting and thrilling mystery, featuring a feisty heroine, struggling with and overcoming a domineering presence in her life.

With everything we've come to expect from a Sherlock Holmes murder mystery set in 19th century England, this is also a story that confronts many issues relevant to a 21st century audience. Young people aged 10+ years will be fascinated by Holmes' processes of detection. Adults will be equally enticed into a world of suspense with Gothic motifs, melodrama and an impressive score from Tim Dalling.

Sherlock Holmes: The Speckled Band toured the UK in March 2022 to great acclaim:

"...sparkles from curtain up to shocking denouement."
David Whetstone, Cultured. North East

"Really engaging, was absorbed throughout. Made Conan Doyle very accessible."
The Exchange, North Shields

"Thoroughly enjoyable, effervescent performance. Just so clever."
