Local Councils, Internal Drainage Boards and other Smaller Authorities in England

Annual Governance and Accountability Return 2017/18 Part 3

To be completed by:

- all smaller authorities* where either the higher of gross income or gross expenditure exceeded £25,000 but did not exceed £6.5 million; and
- any other smaller authorities that either:
  - are unable to certify themselves as exempt; or
  - have requested a limited assurance review.

Guidance notes on completing Part 3 of the Annual Governance and Accountability Return 2017/18

1. Every smaller authority in England that either received gross income or incurred gross expenditure exceeding £25,000 must complete Part 3 of the Annual Governance and Accountability Return at the end of each financial year in accordance with Proper Practices.

2. The Annual Governance and Accountability Return is made up of three parts, pages 3 to 6:
   - The annual internal audit report is completed by the authority’s internal auditor.
   - Sections 1 and 2 are to be completed and approved by the authority.
   - Section 3 is completed by the external auditor and will be returned to the authority.

3. The authority must approve Section 1, Annual Governance Statement, before approving Section 2, Accounting Statements, and both must be approved before 2 July 2018.

4. An authority with either gross income or gross expenditure exceeding £25,000 or an authority with neither income nor expenditure exceeding £25,000, but which is unable to certify itself as exempt, or requesting a limited assurance review, must send to the external auditor:
   - the Annual Governance and Accountability Return Sections 1, 2 and 3, together with
   - a bank reconciliation as at 31 March 2018
   - an explanation of any significant year on year variances in the accounting statements
   - your notification of the commencement date of the period for the exercise of public rights
   - Annual Internal Audit Report 2017/18

Unless requested, do not send any original records to your external auditor. Your external auditor will ask for any additional documents needed.

Once the external auditor has completed and is able to give an opinion on the limited assurance review, the Annual Governance and Accountability Return including Section 3 – External Auditor Report and Certificate will be returned to the authority.

Publication Requirements

Smaller authorities with either income or expenditure exceeding £25,000 must publish on a public website, under the Accounts and Audit Regulations 2015, the Annual Governance and Accountability Return:

- Section 1 – Annual Governance Statement 2017/18, page 4
- Section 2 – Accounting Statements 2017/18, page 5
- Section 3 – The External Auditor Report and Certificate 2017/18, page 6
- Notice of the period for the exercise of public rights and other information required by Regulation 15 (2), Accounts and Audit Regulations 2015.

It is recommended as best practice, to avoid any potential confusion by local electors and interested parties, that you also publish the Annual Internal Audit Report, page 3.

The Annual Governance and Accountability Return constitutes the annual return referred to in the Accounts and Audit Regulations 2015. Throughout, the words ‘external auditor’ have the same meaning as the words ‘local auditor’ in the Accounts and Audit Regulations 2015.

*for a complete list of bodies that may be smaller authorities refer to schedule 2 to Local Audit and Accountability Act 2014.

Annual Governance and Accountability Return 2017/18 Part 3
Guidance notes on completing Part 3 of the Annual Governance and Accountability Return 2017/18

- The authority must comply with Proper Practices in completing Sections 1 and 2 of this Annual Governance and Accountability Return. Proper Practices are found in the Practitioners' Guide which is updated from time to time and contains everything needed to prepare successfully for the financial year-end and the subsequent work by the external auditor.

- Make sure that the Annual Governance and Accountability Return is complete (i.e. no empty highlighted boxes), and is properly signed and dated. Avoid making amendments to the completed Annual Governance and Accountability Return. Any amendments must be approved by the authority, properly initialed and accompanied by an explanation. If the Annual Governance and Accountability Return contains unapproved or unexplained amendments, it may be returned and additional costs will be incurred.

- The authority should receive and note the annual internal audit report prior to approving the annual governance statement and before approving the accounts.

- Use the checklist provided below to review the Annual Governance and Accountability Return for completeness before sending it to the external auditor.

- Do not send the external auditor any information not specifically requested. However, you must inform your external auditor about any change of Clerk, Responsible Finance Officer or Chairman, and provide relevant email addresses and telephone numbers.

- Make sure that the copy of the bank reconciliation is sent to your external auditor with the Annual Governance and Accountability Return. The copy of the bank reconciliation must cover all the bank accounts. If the authority has any short-term investments, note their value on the bank reconciliation. The external auditor must be able to agree the bank reconciliation to Box 8 on the accounting statements (Section 2, page 8). An explanation must be provided of any difference between Box 7 and Box 8. More help on bank reconciliation is available in the Practitioners' Guide.

- Explain fully significant variances in the accounting statements on page 5. Do not just send a copy of the detailed accounting records instead of this explanation. The external auditor wants to know that you understand the reasons for all variances. Include complete numerical and narrative analysis to support the explanation.

- If the external auditor has to review unsolicited information, or receives an incomplete bank reconciliation, or variances are not fully explained, additional costs will be incurred.

- Make sure that the accounting statements add up and that the balance carried forward from the previous year (Box 7 of 2017) equals the balance brought forward in the current year (Box 1 of 2018).

- Please enter the authority’s name only in Section 3 on Page 6. Do not complete the remainder of that section, which is reserved for the external auditor.

- The Responsible Finance Officer (RFO), on behalf of the authority, must set the commencement date for the exercise of public rights. From the commencement date for a single period of 30 consecutive working days, the accounts and accounting records can be inspected. Whatever period the RFO sets it must include a common inspection period – during which the accounts and accounting records of all smaller authorities must be available for public inspection – of the first ten working days of July.

- The authority must publish the information required by Regulation 15 (2), Accounts and Audit Regulations 2015, including the period for the exercise of public rights and the name and address of the external auditor.
