### Police Report

Noted Fiona not present.

It was asked what was being done with Harlaw House, Willie said he would look at this and report back.

### Matters Arising

Website

It was asked if we could put the constitution on the website, but felt we need to update this before putting this on. Leanne will start looking at this. We need to forward links and photos to DJ to put onto the website which we are all responsible to do.

### Secretary Report

Community Planning

This is underway with Zoe attending the first meeting through CC association, which will get down to local levels with community councils soon.

Traffic Regulation consultation

We received the proposed plans for additional traffic safety measures, which Steven Brown brought to our May meeting. At this meeting we identified that many of the proposals were in place. So took no action.

Golf Course

An application was made by them for an open license. No concerns were raised, so no action.

Thank you letter

We received a thank you letter from the pipeband on our donation we gave them.

Mrs McLurg letter

We received a letter from Mrs McLurg raising a few concerns:

- 1)The state of planting around the War Memorial
- 2)Potential accident to private parking and a 7ft high hedge at the top of Drummore Drive
- 3)Traffic on SouthGrange Avenue to Ayres Wynd

We discussed the letter Willie noted these concerns. The War Memorial is on the to do list. Unfortunately we cannot police private parking. Zoe will write to Mrs McLurg and give a copy of the letter to Pc Fiona Gilchrist.

## **Reports**

### **Planning**

DJ asked Zoe if our response was in Zoe confirmed it was.

### **ELC Issues**

Planning Framework document

The area is mentioned in the governments planning framework document, with proposals for non nuclear and Port related development ELC are talking with Scottish enterprise

Traffic Lights

They will be introduced to the Schaw road cross road junction by the end of the year. This is fantastic news as the community council has wanted this to happen for several years

Red School

Cost has risen, there will be a September start date for work to be carried out. Alex asked what will be there? Willie various uses family support work, community council xmas lights, music youth.

### **Coastal Regeneration Forum**

Naming of the new dental practise and flats is underway. The practise will be named after Pat Gifford DFS. David spoke with the CAD department at Preston Lodge High School, who will be creating a spitfire model to present Dr Crummy for the practise.

The flats are still to be named but very quickly. It cannot be business names. Mr Norray is standing out. There is the option of the first distillery on the site but we would need to research it. So everybody needs to think what this could be.

### **No Reports**

CAPP, community centres, Miners Memorial, Friends of Cuthill Park, Art projects, Xmas Lights, Sailing Club, AOCB, What's On

**Meeting closed 20:10**
