The chair welcomed everybody and stated that we would not be quorum.

PC Damien Hall gave the police report from 10/12/13 - yesterday.
57 recorded crimes with 28 solved and 29 ongoing.

We had an informal discussion

The Xmas lights report

53-56 lights could go for scrap or trade in. We are looking at leasing the lights and have had initial discussions with Blauchere.

Consultation on primary principal teachers role

Iain Scott chair of the Infant school's parent council came to inform us of what is outlined in this proposal which would be the removal of principle teachers from all primary schools in East Lothian which would result in the primary aim to save £150,000 of the councils education budget. Iain said that we were more than welcome to attend the parent council meeting on 30th January in the Infant school.

Matters Discussed

The graveyard provision

ELC are looking for our view on graveyard provision as they are looking at future provision. Our current graveyard has a life expectancy of two years. If new land was found today it would take two years to get it ready. We have the opportunity to identify land.

We discussed and concluded that:

we needed to discuss at a full meeting

we identified that we needed more time

this could be a priority topic for the new community planning

it was suggested an extension to the existing into the park as a temporary measure.

Flooding 5/12/13

The boating club explained the damage from this storm and high tide damage. We saw the photos of storm damage. We have lost 14ft of land from our coastline. We strongly agreed

that enough was enough and we have to arrange a onsite meeting with the right people round the table.

Loss of The Wool Shop

With high rent charges another shop has been lost from our High Street.
