Invitation for committee members at the east lothian association of community councils

Kevin had informed Zoe that he had someone phone him regarding a planning application on the field with the scarecrows opposite the entrance to The Royal Musselburgh. Steven Brown expanded on this saying that a formal planning application had not been received but a consultation by consultants would be holding an event at the community centre on 7th and 8th April.

Treasurer Report

Local priorities budget: £4307.91

Administration budget: £1392.95

It was discussed and agreed to award the following:

The boating Club with £1000

Harlawhill Day Centre with £1000

£2387 would be carried over with our war memorial project. The War Memorial Trust website now is showing our war memorial thanks to the work DJ has done with it.

Steven Brown said that the Thomas Alexander statue is also in need of repair where we would need to find out about ownership

The online radio proposal was felt that it lacked detail, and had previously failed. The address was in Tranent the same location as Radio Soltire. We needed a lot more detail before a decision could be made.

The Xmas lights report

Kevin gave an overview of what has been happening. He explained that we have the option of leasing the lights and gave details of estimated costs, and ideas of the way forward.

He said that this would be discussed at the next meeting of the Xmas Lights Thursday 13th March 7:30pm all welcome.

AOCB

Ann Thompson gave us a report on the Boating Club. The coastal damage with the council, has seen the council will look at shoring up the car park, but for a new slipway a report supporting this would need to be compiled by the boating club.

DJ gave a good report for new community councillors in the East Lothian news

Iain Scott and Ann Thompson were invited as community councillors who were welcomed as community councillors, as we really need community councillors.

Graeme said that the Gala has a new committee who are bringing back the flags like the bunting on the gala. Gala day will kick off a week of events, which is a reverse in what has happened in the past. Gala day will be Saturday 21st June.
