Reports

Xmas Lights

Kevin reported that at the meeting held it was agreed that we would be leasing our lights from Blauchere, and ELC to install and take down. We would be leasing the lights with a 5 year lease contract. He gave out copies of the order confirmation form. The tree will cost £515 which includes putting up decorating, taking down and recycling.

It was emphasised that we would have to hold fundraising events to aim to cover most of the cost of this annual project.

Jimmy has arranged a Xmas Dance at the Rugby Club for 27th November tickets will be on sale soon.
