Adoption of minutes: 10/03/15

DJ referred to our meeting of 10/03/15. He wanted Jimmy to admonish him for taking the Gala into disrepute. Both stood by their comments during the heated discussion on 10/03/15 meeting.

Kevin Davanna (vice chair) walked out of the meeting saying "take this as my resignation."

Calum Millar proposed an amendment to the minutes of 10/03/15 as the minute did not go into the detail of what each said word for word.

Jimmy Yule (chair) walked out.

Zoe asked Peter Mackenzie to take the chair seat, all agreed.

We then tried to ascertain if we were quorum which we thought we were. Peter proposed wording and to take a vote

Calum Millar wanted to move on to the next on the agenda, and then walked out.

We continued the meeting.

Unfortunately after the meeting it has come to light by the Community Council Liaison officer, that we were not quorum after Calum Millar left so we cannot minute the rest of the meeting.
