Photography

The NDASC policy on the use of photographic and video equipment is available to read on the club notice board. If you do not wish your child to be photographed or videoed as part of the Club activities please contact NDASC in writing.

Data Protection

As a small not for profit organisation NDASC is exempt from the requirements of the Data Protection Act 1998. The Club will however endeavor to meet the guidance provided by the Act. The information gathered will be restricted to Club officials and only used in the management of the Club Membership and related swimming events. Reasonable precautions will be taken to prevent the misuse or publication of the information. If you wish to know what information is held by the Club in relation to your membership please contact the Club Secretary. The information will not be given or published to any external organisations. More information relating to Data Protection can be found at www.ico.gov.uk
