2. **Matters Arising from Previous Minute**

a) **Police Matters**

Due to the short notice given for the change of date of the meeting, Sgt Hay was unable to provide a police presence. He did however send his monthly report, a copy of which is attached to this minute. James Campbell said the Highland Cross organisers were delighted with the co-operation they received from Sgt Hay and his officers. After discussion regarding the vacancy in Beaully for a police officer, it was agreed to write to the Chief Superintendent to express our concern.

4. **Any Other Business**

a) **Wind Farm Fairburn**

It is proposed that this be extended and, if it is granted permission, Beauly will be within one of the zones of benefit by the Highland Council. John Graham, Chair of Kilmorack CC, wrote to Tony Boyland stating that Fairburn did not invite them to the presentation meetings. At the same time he made a passing comment that he had heard that SSE were no longer talking to CCs. This is something we need to keep an eye on.

b) **Kenneth Morrison, Headmaster of Beauly Primary**

It would appear that Mr Morrison has some points he would like to discuss with the CC and it was agreed to invite him to the next meeting in August. **Action Tony Boyland/Belle Maxwell**

The RBS is having another community funding project up to £10,000 and there is no closing date as yet.

d) **Area around Shinty Club**

e) **House of Beauly**

The premises are sadly neglected, bins overflowing, grass needs cutting, dreadful littering dog fouling and some vandalism. The Co-op is to be contacted to keep the premises in a reasonable condition whilst waiting for their planning permission. **Action Tony Boyland**

### **Current key issues for community.**

Crime continues on a downward trend and remains low across the Highlands and Islands. This factor, combined with high detection rates, makes this area one of the safest places to live and work in the UK. Indeed detection rates stand at record levels across the Highlands and Islands (67% for 2011-12)

Police cannot work in isolation and public confidence in the police is fundamental in helping us continue to maintain high detection rates and keep our communities safe.

### **Date and Place of Next Meeting**

**1900hrs 26/08/2013**

**Total crimes in area: 2**

**Total detected crimes in area: 2**
