Correspondence

June email Access Ranger. Invite Ranger to meeting to advise how he can assist in Beaully.

June email Boundary Review Cllr Davidson sending BCC a letter for us to send to object to the proposed changes - less Councillors

June email Lovat Memorial Garden Fraser Ross attended meeting and himself and Roy Harrison will meet to discuss the possibility of Commando association undertaking a quarter tidy of the garden. They would also like to erect a plaque with more history of the association and links to Lovat Scouts with an annual gathering to pay respects.

June email transport Scotland 20mph consultation for village. Proposal for local authority to carry out an 18 month trial and if things work out well it would become permanent.

AOB

Beaully Flowers

Delivered and erected by Greens. Highland council flower boxes now planted up Highland Council Teams. Watering rota in place. Fountain still to be set up.

Beaully Primary School

Highland Council approved funding for Beaully Primary School details to follow include new canteen demolition of flat roof building and erection of new building on site.

Beaully Community Trust

To move this forward the BCC would have to hold a meeting around the Trust only. At this meeting we would discuss constitution, policy and insurance involving Scottish Council for Voluntary Organisation, Highland Third Sector interface and Development Trust Association Scotland.

Phipps Hall History Article

Information board in need of attention, James Campbell to contact Mike Davidson who did original work to see about getting replacement.

RBS Garden

The Garden is in a bad state of repair and after consulting with Shepherds they have advised that Chest Heart and Stroke do have the lease and will contact them to arrange to get the garden tidied and the sign sorted.
