of Interest				
2. Apologies	There were no apologies .			
3. Public	There was one member of the public present, who had three issues to raise.			
session	3.1 Virtual Footpath			
	Julie Clark raised concerns about the size and suitability of the footpath than runs along the side if Virginia House on Wadebridge Road. The Chair replied that a			
	representative of Cornwall Council Highways had suggested that a virtual footpath			
	was the only suitable solution, predominately because of the road width at this			
	point. The scheme has been agreed and is scheduled for the next budget year	C. Cllr.		
	(2024/25). C.Cllr. Fairman was asked to confirm this is still the case.	Fairman		
	3.2 Land adjacent to Green Hedges, Hengar Lane			
	Julie Clark expressed concern that the static caravan located on the land adjacent			
	to Green Hedges on Hengar Lane is being used on weekends on a regular basis, and			
	that this is an attempt to claim use of the land for planning purposes. The Chair	GI .		
	offered to speak to the Planning department and establish if the correct	Chair		
	permissions had been obtained. 3.3 Hillview			
	Julie Clark expressed frustration that the owners of Hillview had obtained planning permission for a large two storey house and that recently they had stripped the top			
	growth off the top of the Cornish hedge. The Chair replied that the views of the			
	Parish Council have been made very clear to the Planning team and that ultimately			
	the views of a second conservation officer have influenced the final delegated			
	decision. The Cornish hedge is protected, but cutting the top would not be			
	restricted.			
	3.4 School transport			
	C.Cllr. Fairman confirmed that the parent who has raised concerns about the			
	adequacy of the public bus service to provide appropriate time transport has			
	received a detailed response. Cornwall Council consider this transport to be	C. Cllr.		
	adequate. C. Cllr Fairman agreed to forward the repose to the Clerk who will	Fairman		
	circulate the original concerns and this response to councillors.	Clerk		
	3.5 Borough View			
	Cllr. Lane raised concern about this long running roadworks in Bodmin, which			
	continue to cause long delays, which will also impact school journeys. C. Cllr.	C. Cllr.		
	Fairman agreed to discuss the issue with the C. Cllr for Bodmin.	Fairman
