

Yes I guess they ought to name a drink after you

Oh, [G] I get drunk most every night [C] Seems like all we do is fight
The [G] more I drink the less I feel [D7] blue
Some [G] times I feel like an awful fool
[C] spending my life on an old bar stool
And [G] yes, I guess they [D7] oughta name a drink after [G] you
(Bloody Mary)

[G] Yes, I guess they oughta name a drink after [C] you
[G] Yes, I guess they oughta name a drink after [D7] you
[G] Yes, I guess they oughta name a drink after [C] you
[G] Yes, I guess they [D7] oughta name a drink after [G] you

If this [G] date were to be our last [C] I'd never sit down this glass
It'd [G] take all the booze in the world to forget [D7] you
You've [G] left my heart a vacant lot [C] I'll fill it with another shot
And [G] yes, I guess they [D7] oughta name a drink after [G] you
(Near Beer)

[G] Yes, I guess they oughta name a drink after [C] you
[G] Yes, I guess they oughta name a drink after [D7] you
[G] Yes, I guess they oughta name a drink after [C] you
[G] Yes, I guess they [D7] oughta name a drink after [G] you

Looks [G] like I had my fill [C] Guess I better pay my bill
When I [G] started out I only meant to have a [D7] few
Some [G] one just said that you left town I [C] better get a double round
And [G] yes, I guess they [D7] oughta name a drink after [G] you

[G] Yes, I guess they oughta name a drink after [C] you
[G] Yes, I guess they oughta name a drink after [D7] you
[G] Yes, I guess they oughta name a drink after [C] you
[G] Yes, I guess they [D7] oughta name a drink after [G] you

Repeat till exhausted slow last line on final chorus
