The minutes of the meeting were agreed.

MATTERS ARISING/OUTSTANDING ISSUES/ACTIONS

Gateway sign – This sign is being moved about while waiting to see where it can go, and there are concerns it's going to get damaged. A suggestion has been put forward that it could go on the roundabout.

ACTION – AmaL to ask Roads dept if this is possible.

Noticeboard – Location by the bus stop by school may not be suitable as it's too high.

ANY OTHER BUSINESS

Ferintosh House – Has been made secure against break-ins.

Memorial Garden – As this is on the school grounds, due to covid restrictions the school have said that no one is allowed on the grounds to place the wreath. The Community Council noted that a group needs to be set up to manage and maintain the garden. The Council will pay for the wreath this year, but cannot fund it next year.

Conon henge – Grass hasn't been cut this year.

ACTION – AmaL to email to get grass cut.

Conon Hotel – The Council was pleased to note that the Hotel has been sold.
