On behalf of the Gairloch Boat Club Committee, we wish you all the very best for 2017 and beyond.

Sailing & Racing Programme for 2017

Your Club Committee will soon be preparing the new Programme

We already have a few dates for your NEW Diaries:-

Junior Courses.

Already confirmed two weeks with Sophie Faulkner: RYA Senior Instructor:-

Week 1: 10th -14th July. Improvers and intermediates - improving Topper sailing skills, plus helming and crewing the Feva, plus using the spinnaker.

Week 2: 17th - 21st July. Beginners course

Powerboat Level 2 course numbers dependent.

Please give let us know your intentions as soon as possible, as we need to confirm the dates and numbers.

Annual Regatta - normally September, but whatever date we choose, following the 2016 cancellation, we are subject to weather conditions.

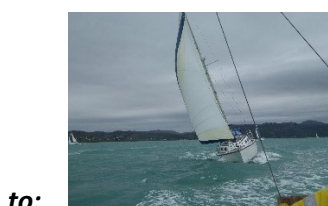

What about a Mini Regatta? This will provide race training for both sailors and race co-ordinators.

Outwith our On-going Weekly Sailing Sessions, any other activities depend on enough demand from the members, so **please let us have your ideas** for Courses or anything else relating to the Boat Club.

AGM, sometime in March 2017, when we hope to have the New Programme ready to share with you.

Contact can be made with me as Secretary or through the Gairloch Boat Club website.

Let's hope for a bumper year of Sailing and all Water-based Activities.
