

NOTICE OF EVENT 2019
GAIROCH BOAT CLUB CHARITY BIG BOAT EVENT
JUNE Saturday 22nd & Sunday 23rd 2019

We would like to invite you to take part in our Big Boat Event

This is a FUN event which enables sailors to have a little bit of excitement on the water and a chance to meet socially.

Many of us are familiar with the boats moored around us but rarely meet the sailors.

On the Saturday night we meet up for a meal followed by a music session. We would be delighted if any musicians could bring instruments along and singers their voices. YOU CAN COME EVEN IF YOU AREN'T SAILING!

Being on the west coast, the programme for events on the water will be weather dependent!

The emphasis is on FUN days on the water and having as many boats as possible taking part to raise money for The Highland Hospice and CLIC Sargent. All proceeds raised are split equally between these charities.
