

Information supplied about Harry Hooper by Susan Whitaker.

My great grandfather was butler at Hengar Manor (the original building before the fire) during the 1890's. His name was Jonathan Rescorl and he married Susan Anne Hooper from St Tudy. I have a great deal of information and some old photographs that might be of interest to you. My grandmother - Phoebe Blanche Hooper was born in St Tudy - would always talk with great fondness about her childhood in Cornwall. After my great grandfathers death the family came up to Liverpool.
