

We have a very active Research Group that can help members research their own family histories and which also liaises with others from across the world to research their links with St.Tudy

At present members number around 40 with an average attendance at monthly meetings of around 30.

The 2021 programme is, we believe, a very interesting one with a variety of subjects and speakers that we hope will both entertain and educate.

We are always keen to welcome new members and hope that you might like to come and join us for one of the talks we have booked for 2021.

If you would like to learn more about the St. Tudy Historical Society or have any questions please come to one of our meetings, which are held on the last Monday evening of the month in the Village Hall. Doors open at 7pm for a 7.30pm start and refreshments are available.

The Society was formed in 2013 by Mr. Chris Selby initially to research the history of the names on our village War Memorial. Since then our objectives have expanded and we now aim to develop, maintain, extend and conserve the St.Tudy Archive in addition to fostering an interest in the history of Cornwall and a general interest in the history of Great Britain.
