

An example of the testimonial given by  
the Parish of St. Tudy  
to all those who offered their lives or service  
in World War 2

*With Pride and Admiration this Testimonial  
is presented to*

*Sgt. R. A. Kent*

*as a token of ever grateful appreciation by  
the parishioners of St. Tudy for the services  
he rendered in the Armed Forces of the  
Crown during the years 1919-1945 when by the  
Providence of God and the loyalty and courage  
of its people this country was delivered from  
the gravest peril it had ever known.*

They shall not grow old, as we that are left grow old  
Age shall not weary them, nor the years condemn.  
At the going down of the sun and in the morning  
We will remember them.
