For the nuggets crunch some spangle wire into a small egg shape. Work button hole stitches all over the wire. In gold. Then work four bars in silver down the outside, making a tiny loop at the top.

Pattern For Base and Ear-Rings

 2. Work sky and whole clouds first.
 3. Work as much of cordonnet as possible.
 4. Join sides together by whipping together at Y; whip around clouds and whip at loops X firmly.
 5. Insert a roll of padded cardboard into work to make completion of final clouds etc. easier.
 6. Work base, place in position and whip the edges together, then work cordonnet
