"A friendly, flexible, safe working harbour open to visitors and locals"

Berthing within the harbour – 1 April 2021 to 30 September 2021

Application process 2021 – Close date 28 Feb 2021

Our harbour is typically full over the summer season; **however, it is important that you apply should you wish a space, particularly on the pontoon and regardless of having berthed in the harbour in the previous season.**

We do give priority to those that berthed in the previous year, but should they not wish to take a berth, we would seek to fill the capacity from our waiting list. With respect to the waiting list, we do try and accommodate based on the length of time on the waiting list, but due to practical considerations around capacity and configuration on the pontoon, it isn't always possible to do so.

As per last year, we also intend to offer berthing for the month of October and applicants should indicate that they would like to take up the offer, basically buy 6 months get a 7th half price! At the end of your charge period, we would ask that you remove your vessel within ten days. We reserve the right to charge for any over extended stays.

The fee structure for berthing in 2021 has not yet been determined but will be published no later than 31 January 2021. It would be reasonable to assume that there will be an increase over 2020 levels. We continue to reinvest all revenues in the upkeep of the harbour and will again be spending money on pontoon maintenance and improvements.

Application forms can be found on the website at cromartyharbour.org. Should you require any further information please do not hesitate to contact us at info@cromartyharbour.org.
