## **Chairperson's Report**

This is an unusual AGM, in that it covers the year 2023 – 2024 part of which the SCC was dissolved in March 2024 due to the resignation of two members. This left SCC with only 3 remaining members, which was below the minimum level required by Highland Council regulations under which the SCC is formed. As a result the community council was unable to form until October 2024, following the election schedule of the Highland Council.

Following the reconvening of SCC, the purpose of this AGM is for members to receive and accept the independently examined accounts for the year to 31<sup>st</sup> March 2025.

I am happy to report that SCC is operating well, following its reconvening in October 2024, with six members, including one co-opted member who has taken the role of Treasurer.

I would like to thank our community council members for their continued commitment and our the members of the public who support our community by attending our meetings.

Our next AGM is planned for 20<sup>th</sup> August, one hour in advance of our normal meeting.

R H Clarke

Chair of Strathglass Community Council
