

St. Columba's Day Centre,

Castlecroft Road, Finchfield

St. Columbas Day Centre provides a warm, friendly, caring service offering a wide range of activities and pursuits to suit all interests for the elderly.

We promote the health, well-being and independence of older people by offering a range of social activities and health advice.

There are opportunities to take part in a full range of activities these include: keep fit, craft sessions, entertainment, informative speakers and much more. In the summer months we have a peaceful day on the canal in a narrow-boat, take a trip to a garden centre or go to the pub for a spot of lunch.

On arrival to the day centre members will have the option to have a hot drink and a slice of toast. At lunch time a freshly cooked lunch is served that is made by our onsite cook.
