

Report of Orkneycommunities.co.uk Online AGM, October 2025

Steven Heddle 2/11/25

Introduction

An online AGM was conducted as in previous years, running between 25th October and 31st October 2024.

No additional agenda items or recommendations were notified.

As no amendments to the recommendations were notified, and no alternative nomination for the Examiner of Accounts proposed, no voting was necessary.

The registration process confirmed the attendance of 11 webmasters representing 12 groups.

Business of the AGM

- The report of the last AGM (2023) was approved.
- The chairperson's report was approved, and is available in the Documents library of the AGM website.
- The Financial Report in the form of the examined accounts was approved. The supporting documentation is in the Documents library of the AGM website.
- The draft accounts for 23/24 were approved for signing.
- No election of committee members was necessary, as the total number of returning members and nominations was less than the maximum number of committee members allowed by our constitution. The current committee was reappointed.
- The committee proposed that Voluntary Action Orkney be appointed to examine the accounts for orkneycommunities.co.uk for year 2024-2025, and this was approved.

Current committee

- Steven Heddle (Orkneycommunities Webmaster/Orkney Live Wire, acting chair)
- Walter Gorman (Orkney Association of Youth Clubs, vice-chair)
- Brian Budge (RBL Kirkwall)
- Dennis Bichan (Kirkwall Kayak Club)

- Andrew Leslie (Holm Sailing Club)
- Voluntary Action Orkney, Secretary
- Voluntary Action Orkney, Treasurer

Further committee members are eagerly sought.

Date of next AGM

The next AGM will take place in October 2025, and agenda items should be notified before then, as detailed in the calling notice for the AGM.
