

Orkney Islands Sea Angling Association Membership Form

Orkney Islands Sea Angling Association strive to provide sea angling for all interests and abilities, be it the competitive angler or the recreational fun day out angler.

For the competition angler the club host ten competitions over the course of a season, ranging from pretty laid back local competitions to the three day Orkney and Scottish Open Boat Championships.

And for the recreational angler the club arranges numerous trips over the year consisting of weekend, midweek and evening trips. If the Welcome Home is available a club member can arrange a club trip with other club members.

We hold a list of club member's names and contact numbers so that, if a charter party is low in numbers and wish for club members to increase the number in the fishing party, then these members can be contacted to augment the numbers and reduce the boat hire price but always at members rates.

2015 membership has been held at :- Adult £20 and Juniors (16 years) £10.

Please return the completed bottom part of this form along with appropriate fee to:-

Mr Gerry Wilson, Howequoy, Holm, Orkney, KW17 2RY. Tel:- 01856781215
