**Consultation question 1:**

Orkney Community Planning Partnership is considering changing its name to The Orkney Partnership (as on the front cover of the plan). This reflects feedback that Community Planning is sometimes a confusing term for people.

What do you think of this alternative name?

Would the name change cause you or your organisation any difficulties?

Yes

No

If you answered “yes” to the above question, please explain the difficulties.

**Consultation question 2: From “Our Values as a Partnership”**

Do you think these are still the right values for the Partnership?

Yes                      No

If you answered “no”, would you choose anything different, and why?

**Consultation question 3: From “A Profile of Orkney”**

Have we missed anything important from this profile of Orkney?

Yes                      No

If you answered “yes” to the above question, please explain what you would put in (or take out) of each of these sections to show where we are coming from.

**Consultation question 4: From “Our Strategic Priorities”**

Are these the right strategic priorities for the Partnership to focus on?

Yes                      No

If you answered “no” to the above question, please explain which priorities you would choose.

**Consultation question 5: From “Positive Ageing”**

Do you think these are the right outcomes and actions to achieve positive ageing in Orkney?

Yes                      No

If you answered “no” to the above question, what would you add?

What is most important to you?

What would you hope to see in 10 years’ time as a result of making this a priority?

**Consultation question 6: From “A Vibrant Economic Environment”**

Do you think these are the right outcomes and actions to achieve a vibrant economic environment in Orkney?

Yes                      No

If you answered “no” to the above question, what would you add?

What is most important to you?

What would you hope to see in 10 years’ time as a result of making this a priority?

**Consultation question 7: From “Healthy and Sustainable Communities”**

Do you think these are the right outcomes and actions to achieve healthy and sustainable communities in Orkney?

Yes                      No

If you answered “no” to the above question, what would you add?

What is most important to you?

What would you hope to see in 10 years’ time as a result of making this a priority?

**Consultation question 8:**

This plan is being assessed for its impact on equalities, and specifically the groups of people protected by the Equality Act 2010:

1. Race: this includes ethnic or national groups, colour and nationality
2. Sex: a man or a woman
3. Sexual Orientation: whether a person's sexual attraction is towards their own sex, the opposite sex or to both sexes
4. Gender Reassignment: the process of transitioning from one gender to another
5. Pregnancy and maternity
6. Age: people of different ages
7. Religion or beliefs or none (atheists)
8. Caring responsibilities
9. Marriage and Civil Partnership
10. Disability: people with disabilities (whether registered or not)

Can you see any ways in which the plan might have a disproportionate effect (good or bad) on any of these groups?

Should anything be done to change or mitigate these effects?

**Consultation question 9:**

This plan is being assessed for its impact on the environment. Can you think of any effects on the natural or built environment that it might have?

Should anything be done to change or mitigate these effects?

**Consultation question 10:**

Did you find this plan easy to understand?

Yes                      No

Are there any improvements you would suggest to make it easier?

**Consultation question 11:**

Are there any other comments you would like to make in relation to this plan?
