

EGILSAY COMMUNITY ASSOCIATION

NEWS LETTER

Later than originally hoped, Mark Lambert from the Food and Environment Research Agency in York, whom the Community Association are employing to do the feasibility study for a rat eradication program on the island will be arriving on Egilsay at 9.30 a.m. on Wednesday 26th May and leaving at 5 p.m. on Friday 28th May.

As Mark and his colleague will have to cover most of the land on Egilsay a public meeting will be held in the community hall at 10 a.m. on Wednesday 26th May. If you have any questions or concerns please try and attend or forward your enquiries to Debbie before the meeting.
