Dear Paddler,

As we welcome 2009, we are now entering a new year of paddling and membership is due once more. The membership fees have been set as follows: -

Adults (Annual membership due in January)	£10
Children (Under 16) (Annual membership due in January)	£5
Each Pool Session (Adult)	£4
Each Pool Session (Child)	£2

These costs cover use of equipment, hiring of facilities and all tuition provided.

This year a comprehensive list of events has been planned. We look forward to enjoying a busy year ahead, including scenic sea trips, camping trips as well as visiting some of the outer islands and river paddling trips. If you are interested in keeping up to date with club activities and finding out about previous years club trips, please have a look at these sites: -
