

## **Support for Orkney's community services and facilities**

The aims of this theme are to:

- encourage participation and increase capacity in local communities and organisations.
- support inter-generational activities within local communities.
- assist groups in becoming sustainable and innovative.
- enable communities to maintain and, where possible, improve their population and demographic structure.
- promote increased use of services and facilities through innovative actions.

Projects which may help to achieve the aims of this theme could include, but are not limited to:

- Development and enhancement of community facilities.
- Initiatives to develop transport and connectivity.
- Development of new skills throughout generations.
- Initiatives to help with life transitions.

Outputs:

- Number of community events/activities.
- Number of communities supported.
- Number of community facilities benefitting.
- Number of community initiatives supported.

Indicators relating to all strategic priorities:

- Number of ICT initiatives.
