## **4.45 FINISH**

Everyone is reminded to clean up all droppings from the tie up areas, the car park and to help in the school (if you do not do it someone else will have to!). Please do not over fill the plastic bags – remember someone has to lift them!

Please do not go upstairs unless you are with your instructor – could all parents make sure their children know about this.

The East Mainland Sub Branch are providing duty parents and soup on Saturday with the Firth Sub Branch on the Sunday, if you can help let your rep know.

It is up to all members and their parents to ensure that all riders are ready to ride at the given time, we will not be able to wait as we are running to a very tight schedule. The duty parent will help out with keeping things on time.

Both instructors will provide first aid cover.

Ponies cannot be tied up inside during the first 3 lessons, following that and during the jumping lessons there will be a limited area available at the Canteen end of the school although some may have to tie their ponies outside or in their trailers. Any string used to tie ponies will need to be removed at the end of each day (it is dangerous to have loops of string hanging down while people are riding past them)
