

## Hurrah for the Orkneys

Henrietta Groundwater [1960s]

Then Hurrah for the Orkneys, our Isles of the sea  
The home of the Vikings, the fearless and free  
Our Isles of the sea, our Isles of the sea  
Hurrah for the Orkneys, our Isles of the sea

My father was a farmer in the North country  
Right in the parish of Orphir-o  
My father and my mother and a large family  
On the Mainland of Orkney-o

Then Hurrah for the Orkneys, our Isles of the sea  
The home of the Vikings, the fearless and free  
Our Isles of the sea, our Isles of the sea  
Hurrah for the Orkneys, our Isles of the sea
