Spiritual Understanding: Focus Passage: Acts 2:1-21

Pentecost scriptures describe so well the breadth and depth of what being a child of God is all about. For those there on that first Pentecost, this was a powerful and overwhelming experience that reached across barriers of culture, gender, and social standing, and even history. This was not the first time the Spirit of God was instilled in humans, nor would it be the last.

Do we allow for each person's gifts of the Spirit to be shared and used within our communities of faith?

When have you felt the Spirit moving you to action?

Prayer: Spirit of God, move us to action - to life-giving action that will witness to your presence in the world today and every day. Amen.
