

# THE OZW RECYCLATES COLLECTION

## BUSINESS RECYCLING SCHEME

Cardboard (flattened)  
Paper (bagged)  
Plastic bottles (no lids)  
Tin cans (uncrushed)  
Glass bottles

Regular and reliable collections  
No hassle for your business, no time requirement for your staff  
Collection frequency to suit your business  
Competitive charges compared to Council gate fees  
Duty of Care waste transfer notes provided

From the 1<sup>st</sup> of January 2014 the Waste (Scotland) Regulations require all businesses operating in Scotland to present key recyclables, specifically paper and card, glass, metals, and plastics for recycling. Orkney Zerowaste (OZ) offer a quick and reliable solution to these new requirements.

'The OZ Collection' operates once a week, collecting the main recyclates (Paper & Card, Plastic Bottles, Glass Bottles and Cans) direct from participating businesses and takes them to OIC recycling facilities on the island.

Collected material must not be contaminated with any other wastes - plastic, metal, wood or food. Customers are expected to ensure that the **waste paper is bagged** and **card board is flattened** and both are kept **clean and dry**. **Plastic, tin and glass are to be bagged separately**. Containers are not provided and customers are required to flat-pack cardboard boxes and bag bundles of paper. Material must be stored appropriately, in a safe and easy to access area for our staff to collect.

### THE OZ COLLECTION CHARGES:

Competitive charges for this service are per **six months**, based on the frequency of pick-up and one load is no greater than a volume of 1m<sup>3</sup>. **Loads in excess of this are charged at £34 per extra m<sup>3</sup> per collection unless otherwise agreed as are contaminated or unprepared (unbagged/unflattened) loads. One off collections are also available for £34.** OZ reserve the right to change the frequency of collection and invoice accordingly, should loads be regularly greater than agreed.

Collection frequency	Equivalent per collection	Six month charge
Monthly	£34.00	£204
Fortnightly	£28.00	£364
Weekly	£22.00	£572

Any business signing up for **THE OZ COLLECTION** will be invoiced for an initial **six month** period for either Jan to June or July to December inclusive. Current charges valid from 30/06/2023.

**Collected material must be clean, dry and must not be contaminated with any plastic, metal, wood or food and stored appropriately for easy access.**
