I had a thought.....

Got a bright idea for activities/opportunities that you'd like to see happen at the Boathouse? Many of the events we now host started with someone just sharing a thought! The Handbells group, Elwick Bookwrights, the Shapinsay Graphite drawing group, the weekly youth Drop-in, the 'Soond Cinema' film club and many more activities started because someone simply mentioned the idea to us and were willing to help make it happen with our support.

Often ideas come up from folks already meeting here. The popular Shapinsay Place Names workshops came out of a discussion by Elwick Bookwrights about writing in Orcadian.

An amazing opportunity for members of the Shapinsay Graphite Group to draw Scottish Ballet performers rehearsing sprang from an idea from a drawing group member. A 6 week course with local artist Nina Anderson stirred up peoples' passion to paint after that was also suggested as something folks wanted to do.

One of our roles at Shapinsay Development Trust is to help facilitate new opportunities at the Boathouse which local people want so please don't hesitate to suggest new ideas or events for us to put on or why not get together with other people with the same interests to book the Boathouse and do something new together as a group?

Contact us at the Boathouse on 711733 or call in and pick up one of our 'I had a thought' suggestion cards to pop your idea on - or email cao@shapinsay.org.uk
