Last chance to see the 2019  
SCDA Scottish Champions  
before they compete at the  
British Final in Harrogate!

**Shakers - Friday 28 June at 8pm  
in Stromness Academy**

This Friday night sees the absolute, definite, last performance in Orkney of Shakers - don't miss out on your chance to see and support the team before they compete at the British Final in Harrogate in early July.

There's no entry fee, however the Club would be very grateful for any donations made on the night that will go towards the cost of getting the cast and crew to Harrogate and back plus overnight accommodation. We'll also have a raffle with some great prizes on offer as usual (all donations for the raffle welcome).

### Well done to the "A Handbag" team

The club is naturally very proud of this youth team, and their director, for what they achieved this year. Although they didn't win the Scottish Youth Final, they gave their best and what more can you ask? Without their enthusiasm and hard work the competition would be a lot poorer.

The team are still the winners of the Orkney District Youth trophy and the Northern Division Youth Final; not bad work if we do say ourselves.

Congratulations to Kirkintilloch Players on their win; we will be back to try again another year!

### Shopping Week Late Night Comedy Revue - 23 July!

Can you believe that its almost that time of year again? Our notorious late night comedy revue for Stromness Shopping Week will take place on Tuesday 23 July starting at 9.30pm so save that date!

Prospective performers can also put Sunday 21 July in their calendars for a rehearsal between 3 and 6pm, also in Stromness Town Hall.

### Winter Show? New Building?

At our next committee meeting in mid-July we hope to make a decision on what our winter production will be so we'll let you know as soon as we do!

-----  
We'd also like to thank anyone that attended and commented on the What Next for Stromness events and mentioned the Club's aspiration for a purpose-built facility; it has been mentioned here and there for many a year (and with considerable work carried out by committee members in previous years) and we hope that these opening up of new discussions and ideas will take the Club on a fruitful path towards fulfilling both the desire and the clear need for a proper facility for storage, creation and rehearsal, with the possibility for pushing further into creating a small performance space. More news will follow (we hope!).
