- Notes
- 1 Points are awarded to boats not skippers, thus a skipper that sails more than one boat will receive separate points for each boat.
 - 2 10 boats entered the May Tankard series. This means that DNF and DNS for any series race scores 11 points
 - 3 The worst result of each boat is discarded to determine final points and placings.

Notes:

- DNF points are awarded equal to last place plus one, depending on the number of boats entered in the points series)
- DNS points are awarded equal to last place plus one, depending on the number of boats entered in the points series)
- DSQ points are awarded equal to last place plus one, depending on the number of boats entered in the points series)
- Boats are listed above in ranking order after the results for the most recent races have been recorded
- The cumulative result of the leading boat(s) after each week's racing is highlighted in yellow

NB The points for these positions can only be worked out properly at the end of the series. In the meantime it is assumed that there will be 14 boats entered in the series. This figure will be updated if it becomes known that a different number have entered.
