

Stromness Sailing

The annual Interclub event between Stromness SC and Holm SC took place on Thursday, 18 July.

There were four boats sailing for Holm: *No Fear*, *Aeolius*, *Off Beat* and *Smurf*. Seven Stromness boats were competing so it was the first four Stromness boats in the first race whose results were used in all three races for the Interclub competition. Points were awarded according to the finishing position taking account of just those boats whose results were to count.

For Stromness boats the races were also part of the Summer Series and the points were awarded for that competition according to the finishing order for the Stromness boats ignoring the Holm boats.

Interclub Competition

In 2012, Holm had beaten Stromness but this year Stromness fought back to take the most points in two of the three races and winning the Interclub competition overall. The race results were as follows:
