2023 Dressage League Tests & Classes

***BD Intro C:** Class 1 – RC Mini / Class 2 – PC Mini

Classes 1+2: This is walk & trot only, can be performed on lead rein, in a martingale & in any bit.

BD Prelim 1: Class 3 – RC Novice / Class 4 – PC Novice

BD Prelim 14: Class 5 – RC Intermediate / Class 6 – PC Intermediate

BD Novice 30: Class 7 – RC Open / Class 8 – PC Open

BD Elementary 42: Class 9 – RC/PC Combined

All Tests will be ridden in a 20x40 arena.

RC/PC classes will be combined unless there are enough entries to run separately, although League points will be awarded for both. You can enter more than one class. Tests can be read out. You don't have to ride at all the leagues to take part. Newcomers are welcome.

You can ride more than one test – and tests can be read

Registered pure native ponies can compete for the ***Thorfinn of Tormore Memorial Quaiche*** which will be won by the pony with the highest average percentage at the end of the League. If not done so previously, please supply the pony Society Reg No and a copy of the Reg document.

Although we try to accommodate time requests, this is not always possible, and it is easier for the judge & helpers to keep tests together in class order. Times will be posted on ORC FB

Competitors are welcome to check their scores but need to do this before leaving as mistakes cannot be rectified after the event and once the scores and placings are published.
