

WHITEINCH & SCOTSTOUN  
HOUSING ASSOCIATION LTD

# WSHA Energy Advice Project

Here  
to Help

A free service to all Whiteinch & Scotstoun Housing Association tenants and WS Property Management clients to help you cut the cost of your electricity and gas usage and do your bit for the environment.

Book a home energy visit or pop in for some advice and find out how to:

- ✓ Apply for discount schemes and grants like the Warm Home Discount (up to £135)
- ✓ Get the best deal for electricity and gas
- ✓ Understand your meters, usage and bills
- ✓ Manage your heating system
- ✓ Stay warm, cosy and comfortable

**Get advice and an action  
plan tailored to you!**

**Get in touch today 0141 959 2552,  
energyadvice@wsha.org.uk**

All participants  
entered into a  
quarterly prize  
draw

# Energy Busting Top Tips...

- Borrow an electricity monitor from us – it shows how much electricity you're using and the cost. Find out what or who the culprit is!
- Switch it off. If you're not using appliances, chargers or lights, switch them off and stop adding to electricity costs.
- Understand your heating controls. It saves you ££ per year.
- See the light. Low energy light bulbs can cut your lighting costs by up to 80%.
- Keep warmth in and cold out. Close doors and use blinds, thick curtains and draught excluders.

**Your neighbours  
have already  
started, so why  
don't you?**

- Lower your home fuel bills
- Enjoy a warmer home
- Be part of the solution to climate change
