13<sup>th</sup> December 2020

This week we light three candles on the advent wreath. Colour the picture and add three flames.

When the shepherds saw the angel, they were very frightened. The angel said he had good news, then lots more angels appeared and sang praise to God. Use the space below to draw the shepherds and the angels. What do you think they are saying?

How many angels can you find hiding in these pages?

The 3<sup>rd</sup> candle of Advent is for Joy. It is the "Shepherd's Candle", reminding us that Jesus brings joy to the world.

Which angel goes to visit the shepherds?

Apart from Mary and Joseph and a baby - who else appears during Christmas?
