

## Noah – Genesis 9.8-17

### Watch and chat

[Click to hear/](#) read [the story of Noah](#)

Here are some questions to talk about:

1. What type of promise have you ever made?
2. How does it feel when you break a promise?
3. How does it feel when someone breaks a promise they make to you?
4. Have you ever made a promise and stuck at it? How did that feel?
5. How did you feel when someone kept a promise they made you?

### Reflection

**Key people:** Noah, his wife and their 3 sons (Shem, Ham, and Japheth). God.

**Key events:** God told Noah to build a large boat. He gave dimensions and type of wood and instructions on how to build it. Since they were so far away from the sea people laughed at Noah. But Noah continued to obey God. When the time was right, God told Noah to fill the ark with different types of animals. After everyone was on board it rained for 40 days and 40 nights.

After the land had dried and the family and the animals all came ashore. God caused a rainbow to form as a promise that never again would the whole earth be flooded.

### Prayer

Animal prayer mobile

**You will need:** Use the template on the App fun to cut out animal shapes, colouring pens, ribbon and double-sided tape.

Colour in the shapes. Place them on the ribbon and stick them on with double sided tape.

Write or draw your prayers one on each of the animals

Hang your mobile. Use it to aid your prayers.

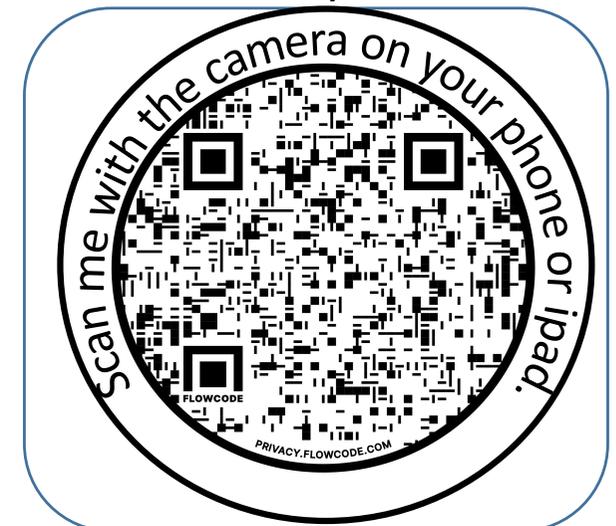

### Game

**Animal Charades**

It's like playing regular charades, and the rules are the same, except that everything should be animal themed.

Each person takes turns to act out the name of a movie, book or animal name. The books and movies should also be animal-themed. Everyone else will have to guess what is being acted out within a certain time limit. (you could use an egg timer or an alarm or stop watch on a mobile phone to mark the time.
