Reflection

God had Abraham and Sarah leave their home in Ur and travel to Canaan.

God made a promise to Abraham - "*I will make you into a great nation*"

Through his descendants.

"I will make your name great" Abraham really did nothing important in his life. He was not a great writer, king, inventor or military leader. He did nothing except camp out where he was told to go and father a few children. today we remember Abraham as the father of the Jewish nation.

Prayer

As you pray, explain to your children what it means to be patient. Its like waiting for Christmas to come.

Lord, just as Abraham and Sarah were willing to wait, help us to be patient with those around us and to be aware of the impact of our decisions.

Let us be ripples in the water in the lives of others today. **Amen.**

Game

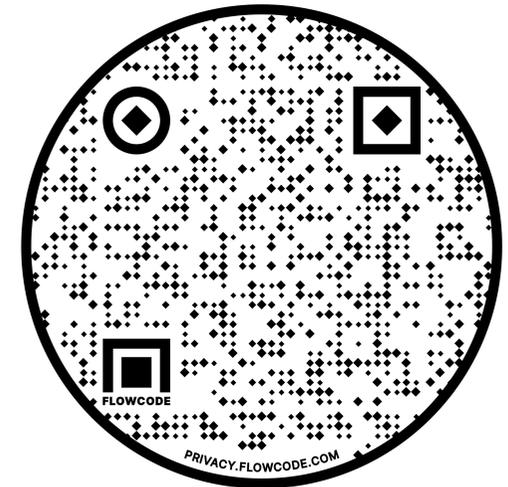

The waiting stare

A simple game of perseverance

Sit the players down opposite each other e.g. across the dinner table. In this game the participants have to lock eyes and stare at each other without blinking or moving eye contact.

Helpful hint - fix your eyes on a point behind the person you are playing against and relax your eyes.
