Reflection

- Has there ever been a time that you felt so sad, you didn't know what would make you happy again? (This is how the Disciples felt on Good Friday and Holy Saturday)
- What a miracle is? A miracle is when something completely impossible happens. When there is absolutely no way for it to be true, yet it is. And at Easter, there are a lot of miracles for us to celebrate.
- Can you name the miracles in the Easter story? The biggest one is that after 3 whole days of being dead, Jesus was alive again
- What does this mean for us?
