

26.16.02	Bio-fuel plant consultation and update
	This application has now been passed by the NYC planning committee, as it fits within the Government aspirations. Assurance was sought that planning will seek to enforce any violations of conditions and that heavy vehicles would not be coming through the village. Next step is to negotiate a feeding tariff before they determine if viable. Work on the site is likely to commence back end of summer 2026. The chairman and members reiterated to residents that consultation forums were held by the parish council on two occasions and independently by the Client.
